

# JNI Armor Shield Viewports

**JNI Armor** is a division of JNI LLC, focusing on the development of transparent armor for military and commercial applications.

Photos Courtesy of Armourer's Choice

**JNI Armor** can produce various viewport shapes at any threat level including:

- Flat
- Curved
- Triangle Shaped
- Custom

**JNI Armor's** viewports can be made to any threat requirement including:

- NIJ IIIA
- NIJ III
- NIJ III+
- NIJ IV
- Custom Solutions

	Thickness	Weight (A.D.)
NIJ IIIA/PC	1.25" (32mm)	7.8 psf
NIJ IIIA	.98" (25mm)	10.6 psf
NIJ III - 1 shot	1.25" (32mm)	14.0 psf
NIJ III - 1 shot lite	1.10" (28mm)	12.8 psf
NIJ III - 2 shot	1.34" (34mm)	14.4 psf
NIJ III	1.68" (42.8mm)	19.6 psf
NIJ IV	2.25" (56mm)	25.2 psf

Defeats 1 shot of 7.62 M80 ball per NIJ 0108.01 Level III requirement  
 \*\* Defeats 2 shot of 7.62 M80 ball per NIJ 0108.01 Level III requiremen

## Advanced Technologies include:

- Delamination Resistant Solutions
- Monolithic Polymer Systems
- Peel Plies for Scratch Repair
- Enhanced Hardcoat for Polycarbonate
